This home in Kings Heights is truly an impressive find, blending comfort, style, and energy efficiency. With just a short walk to the pathways leading to the ponds and park, it's perfect for family living and outdoor enthusiasts. Built in 2018 by Jayman, it stands out with sustainable energy-efficient features such as triple-pane windows, a high-efficiency furnace, a tankless water heater, and zoned heating and cooling across two levels. Plus, it's already prepped for solar panels, making it future-ready! With over 3,000 square feet of living space, the home offers 4 bedrooms and 3.5 bathrooms, ideal for growing families. You'll appreciate the many upgrades, such as 9-foot ceilings, luxury vinyl plank flooring, and stylish quartz countertops in both the kitchen and upper bathrooms. The open-concept layout features a chef's kitchen equipped with top-tier KitchenAid stainless steel appliances, two large islands that provide both functionality and a breakfast area, while a bar with two fridges adds a unique touch for entertaining. Upstairs, the spacious laundry area, walk-in linen closet, and bonus room offer convenience, along with three generous bedrooms. The main bathroom features a double-sink vanity and plenty of counter space. The master suite is a highlight, offering breathtaking views and an ensuite with luxury details: his and hers sink vanities on opposite sides of the wall, his and

hers separate walk-in closets, a makeup vanity, a soaking tub, a walk-in shower, and a private toilet area; perfect for couples seeking personal space. The backyard is fully landscaped, offering privacy with no rear neighbors and an 8-foot fence. Plus, the home is still under builder's warranty, making it an ideal choice for peace of mind and anyone looking for a well-maintained, modern home. If you're ready to step into a home that combines luxury, sustainability, and functionality, this one is a must-see!
