Welcome to The Denali 6—a thoughtfully designed home that offers exceptional versatility and light-filled living. Built by a trusted builder with over 70 years of experience, this home showcases on-trend, designer-curated interior selections tailored for a custom feel. Featuring a full package of smart home technology, this home includes a programmable thermostat, ring camera doorbell, smart front door lock, smart and motion-activated switches—all seamlessly controlled via an Amazon Alexa touchscreen hub. A standout feature is the basement rough-in with side entrance. Inside, the main floor flex room with double doors is perfect for a home office or playroom. The executive kitchen wows with built-in stainless appliances, gas cooktop, and waterfall-edge island, opening to a bright great room with electric fireplace and access to the rear deck. Soaring ceilings and a vaulted bonus room with a skylight fill the home with light, while walls of windows add to the airy, open feel. Retreat to a luxurious 5-piece ensuite featuring a walk-in tiled shower and elegant finishes. The Denali 6 is where thoughtful design meets endless possibilities. Photos are representative.
