3 Bedroom, 3.00 Bathroom, 1,639 sqft
Residential on 0.16 Acres

NONE, Valleyview, Alberta

Welcome to the perfect blend of comfort, flexibility and charm. Set in the NW corner of the town next to an open field, the first thing you'll notice is the country charm of the covered front porch and the architectural style of the home itself. Originally a cottage constructed in 2008, the home was placed on an ICF basement in 2018 and developed into its current form with three spacious bedrooms, three full bathrooms, living areas and a versatile loft style flex space that can adapt to your needs and lifestyle. When you step inside you can feel the openness created from the high 17' ceiling above the living room and you'll notice the finishing with laminate flooring throughout, stainless steel kitchen appliances and modern cabinetry and countertops. The home is located in a family-friendly neighbourhood with easy access to schools, parks, the downtown and all the amenities found within the Greenview Multi-plex. Schedule your private tour today and discover all the possibilities that this exceptional home has to offer!
