

\$525,000 - 113 Lanauze Street, Fort McMurray

MLS® #A2261643

\$525,000

4 Bedroom, 3.00 Bathroom, 1,289 sqft

Residential on 0.13 Acres

Timberlea, Fort McMurray, Alberta

Welcome to 113 Lanauze Street. This is a home that truly checks all the boxes, both inside and out and it shows the moment you arrive. From the inviting front deck and mature tree to the spacious driveway, the curb appeal is undeniable. The sellers have cared for this property with pride, cleaning every corner and touching up every detail so it's 100% move in ready for the next owner.

One of the standout features outside is the swing gate that opens into the backyard, offering secure and convenient parking for an RV, trailer, or ATVs neatly tucked behind the fence without compromising your outdoor space.

Inside, you'll be impressed by the soaring 14 ft ceilings in the living room, where oversized windows fill the space with natural light. A cozy gas fireplace creates the perfect gathering spot, while just a few steps up, the open kitchen and dining area overlook the living room below. The kitchen is bright and functional with classic white cabinetry, a huge walk in pantry, and both gas and electric hookups for your cooking style of choice.

Step outside into a backyard retreat that's been thoughtfully designed with four distinct deck spaces perfect for entertaining, lounging, or simply relaxing in the sun or shade. The landscaped yard, filled with mature trees and shrubs, is private, peaceful, and feels like your

own oasis.

The main level offers three bedrooms, including a generous primary suite with 4 piece ensuite. Downstairs, the fully finished basement features a massive rec room, an additional bedroom with wet bar (previously a rental with added soundproofing), a full bathroom, and laundry.

This home is not only beautiful, but built to last with an Insulated Concrete Form (ICF) foundation for superior energy efficiency and soundproofing. Updates include new shingles (2025, 50-year warranty), updated kitchen appliances, and a central vacuum system.

Pair all of this with a welcoming neighbourhood and great neighbours, and youâ€™ve got the total package. Stylish, functional, and exceptionally well maintained, this home is a true must see!

Built in 2004
